Follow the PEACE. The peace that passes all understanding ruled in Terry's heart. Once God's peace has dominion in your heart the choices of life become much clearer. This peace becomes the guiding principle in your life. Terry lived his life with utter trust and faith in God.

One of the joys in life that Terry thoroughly enjoyed is motorcycles. He wanted to see them all, sit on them all, hear them all and ride them all with the wind in his hair in all of God's glorious creation.

Goldfinch Funeral Home, Conway Chapel is serving the family.

“ I truly loved listening to Terry talk about the Lord and about our Heaven above that we will someday experience into Eternity 🙏. His knowledge and his wonderful Peace about spending Eternity with Jesus sticks with me and gives me hope when I feel there is no other.

I am grateful that he came into my sisters Chris's life, for her to love and enjoy time with for the years that The Lord gave them together on this earth.

I miss you Terry 💙 but I know that we will all be together again and experience a joy that we will never lose.

“ Terry and Chris’s lives are inspirational, because they passionately know and love their Creator and delight in his presence.

*On the afternoons we spent chatting with them both, we felt invited into their faith journey and adventures.*

*They are a sign and a wonder, confident in everything they speak and do, living and breathing the kingdom of heaven here on earth.*

*We are certain that Terry is experiencing the fullness of all that he lived for in this world.*

*He leaves an incredible legacy in his family and friends.*

*With thanks, Mark and Jane Burlinson*
