“ Joy, Trent, Teak & family, words cannot express the sadness I feel for each of y'all. Terry and his whole family have always been very special to our family. My mother, living across the street from the Lighthouse Motel was “watched over” by the whole family and I appreciate and will always be dear to my heart . Within 2 years both are gone now. “The Boulevard “ will never be the same... with love and prayers, John & Kathy Blake Elloitt

“ Our family met Joy and Terry years ago when we first went to the Tropic House Motel. We were hooked. Our children would play together every year as youngsters while we were vacationing. My in-laws loved them so much and as Dot Miller, my mother-in-law, got up in years she still went with us and stayed with my grown daughter, Kelly, and her family. This makes us so sad. You were like an extended part of our family. We visit Teak at the pier when we visit. My love and prayers go out to Joy, Teak and Trent as well as the extended family. We love you all and pray for comfort during this awful time.

“ *I met Terry as a guest at the Tropic House. Terry loaned me his fishing gear and introduced me to locals that helped teach me how to catch fish off the pier. I looked forward to seeing Terry every year. My wife and I spent our honeymoon at the Tropic House as guests of Terry and Joy. Terry was a fine man and a better friend, he will be missed, but his memory will always bring a smile to my face.*
