Thea J. Stetter

November 12th, 1959 - February 12th, 2023

Conway...Mrs. Thea J. Stetter, age 63, passed away Sunday, February 12, 2023 she had been battling a disease called Lewy Body Dementia for 6 years and passed away peacefully in her home surrounded by her loving family.

Thea was born in Huntington Long Island Ny a daughter of the late Adam Schwab the III and the late Carol Schwab. Thea was a loving wife, mother, grandmother, and sister who was frugal with herself but never with others. When there was a silver lining to be found she would find it and share it to enhance others lives around her. Thea also loved the arts and was an entrepreneur by building her own business in her early 20's she hand painted boat lettering, concrete mixers, and store fronts during this time. While being an entrepreneur she also had passions that she fell back to for relaxation which were gardening, cooking, and baking these were always done because of her love of her family and friends.

Thea is survived by her husband of 26 years, Richie J. Stetter of Conway; her two children Richie of Conway and Leah from Loris; and one grandchild Mia of Loris; a sister Gail Schwab; a brother Adam Schwab the IV.

Instead of flowers or money donations to the family they would like for you to consider donating to the research for Lewy Body Dementia. Thea suffered from this disease for 6 long years and at this time there is no cure. <<https://www.lbda.org/donate/>>

Visitation will be in the form of a vigil to be announced at a later date.
