“ I was sorry to hear about Thelbert. I have soo many good memories of him. He was a good friend to both my mom, Louise and dad, Herbert! Between keeping our gas tank filled and any advice daddy needed on the horses or garden, they knew who to call. I am sure you will miss him, but just think what he is doing now with Mamie and his parents and all the other loved ones! I will continue to pray for all of you as you go through these difficult days, but find peace in knowing you will see him again! God bless you!!
