“ Theresa Mold I always looked up to. Theresa was a beautiful lady. She was witty and looked like a model.

*Theresa trained me for the MUA Water billing job in Woodbine, NJ, when I was 18 years old. I remember going home and telling my mother how I want to be like Theresa. My mother said, " she a real lady and very smart", what a great example!*

*Tom and Theresa were in church every Sunday, as well as being very active in church.*

*They were a lovely couple and Tom is just as beautiful as his beloved wife was.*

*I just want the family to know, I thought the world of Theresa and I know they did too.*

*I also thought the world of her sister Florence, whom worked in the bank, when we had a hometown bank here.*

*God bless you all and may her mannerism and love be with you always.*

*My deepest sympathy,*

“ I remember Theresa as an active person, intensely involved in the lives of her family, friends, and church. Always beautiful, always happy to be a great example of that perfection which comes with dedication to home life. I remember watching your dad and my dad putting up a big banner to welcome Christopher on the day he came home. And your mom had the house ready within an inch of its life... She was a staunch friend to my parents, who still remain in Woodbine. I feel blessed to have known her.
