“ Teresa used to be my sister-in-law she provided me with three beautiful nephews. Teresa and I were close in age and we were very close for many years and we stayed in touch our whole lives. She was a beautiful southern lady, she was funny how much she was a wonderful mother to my nephews and I thank her for sharing her life with me. I will find peace that she is with her son Christopher, my nephew that died over 30 years ago at 2 years old. She has always missed him deeply and I know they are now together forever in a beautiful place. RIP Teresa I love you and thank you.

You're forever sister-in-law Rebecca Foster
