Mr. Dowling is survived by his wife, Tippy Dowling; one son, Eddie, wife Kelli, two granddaughters Abby and Emma Dowling of Fort Mill; two daughters, Krissy Larson, husband Chris, of Myrtle Beach and Kelsey Dowling of Fort Mill, South Carolina; sister Sarah Lane Norton, husband Ronnie, of Murrells Inlet, and brother, Joe Dowling, wife Kathy of Garden City, South Carolina and many other family and friends who will miss him. Mr. Dowling received a Bachelor of Science degree from Pembroke State University and a Master of Education and Education Specialist degrees from the University of South Carolina. His teaching career began at Blenheim Elementary School and continued at Clio High School where he also served as coach of both boys and girls basketball teams and football team. Mr. Dowling's career carried him through successive positions as assistant principal of Butler High School, Hartsville, South Carolina; then principal of Lamar High School in Lamar, South Carolina; Supervisor with the Office of School District Accreditation and Assessment of the State Department of Education; Director of Middle and Secondary Education for Dorchester School District Two, Summerville, South Carolina; District Superintendent of Newberry County; Superintendent of Fort Mill School District and Interim Superintendent for Richland/Lexington District

5, Irmo, South Carolina. Upon retirement to Murrells Inlet, he continued to serve the field of education by serving as an Education Consultant for Moseley Architect. In addition to his community activities, Mr. Dowling served on numerous educational consortia such as The Olde English Consortium, and other associations and committees relating to the field of education such as SC Association of School Administrators, and Southern Association of Colleges and Schools. He has published numerous articles, has been a respected lecturer at different events across the state, and was active in the implementation of the Summer Leadership Conference for School Administrators. Mr. Dowling's dedication to his career was matched by his love for his family and friends. He was a beloved "Papa" to his grandchildren, the instigator of golf tournaments in Newberry and Myrtle Beach which were cherished by everyone that participated. He enjoyed most being surrounded by his family where he would cook his infamous chili and Hoppin' John while practicing his shagging techniques. More often you would find him playing golf, fishing, or just enjoying a good book. He was a beloved husband, father, brother, educator, mentor, and friend. “ Mr. Dowling played a HUGE role in the occupation I am in now, a media specialist in Newberry County. I thoroughly enjoyed his student superintendent's liason meetings which involved students from all over the district. It meant alot that it mattered what we, as students, thought. I developed many friendships from those meetings. And to get a HUG from the superintendent when I graduated from high school meant more than the typical hand shake. He will truly be missed!###imported-begin###Christi Vinson###imported-end###

I had the opportunity to work with him on a few occasions, including the State SACS Committee and was always impressed by his character and sincere desire to serve the needs of others. “ I was so saddened to hear of Mr. Dowling's passing. I have fond memories of him as Superintendant in Newberry. I taught in the basement of Gallman El. The conditions were less than perfect. This make shift art class had no sink or water supply. When I asked Mr. Dowling about getting a sink in the room, he answered like a true politician, "Why ask for a sink, ask for a new room!" I will always have fond memories. So sorry to hear of your loss. Thoughts and prayers are with you. Sincerely, Ann Abbott###imported-begin###Ann Talbert Abbott###imported-end##

“ TEC was in his first year as a principal at Lamar High when I was a first year teacher. He was a wonderful mentor and friend. The greatest lesson I learned from him was "Skin your own skunk" in dealing with classroom behaviors. It worked for me for the 30 years I was in the classroom. I remember TEC bringing Eddie around with him after school to visit with those of us still at school after hours. He was a good father and a great principal. He certainly had an effect on my life and I am truly grateful.##imported-begin##Anne Neely##imported-end##

He was an inspiration to so many people not in just what he accomplished but how he treated people. He made everyone who came in contact with him feel special. He really listened to what people had to say, with his ears, eyes, and heart. This was his gift. It was a joy coming to work with TEC. His positive spirit embraced and strengthened our district. “ Tippy, Eddie, and Krissy, I am so saddened to hear of TEC's passing, but know that he is in a better place free from suffering and pain. I have kept up with him since leaving Newberry as he made such an impression on me as a young teacher! It was also so wonderful to watch you both grow up and attend NHS when I was there. I will never forget the day he saw me in the hallway at Newberry High School and asked me for my hall pass - I was a first year teacher, and I am sure that I looked it, too. He just smiled and laughed when I told him that I was a teacher. We shared this story in following years. I was also so impressed with his words of wisdom and advice when I left NHS in 1994 to move to Lugoff after getting married. He shared time with me during an exit interview to hear some of the things that I had learned while being in Newberry County as well as share advice for my future career. It is leaders like him whom I look to today and thank for shaping me into the person and principal that I have become! God bless you and your family. “ Tippy and Family, I am saddened this morning to hear about TEC. My mind went back to the many thoughts of our days together when he was superintendent of Fort Mill Schools. To know him was to love him. He was quite passionate about his work and his quest for public education and it showed through his actions day in and day out! He was quite a leader and I respected him for that. Not only did we develop a good working relationship, but formed a personal one as well. He always was thought of fondly and holds a special place in my heart. I will forever treasure these memories! He and Martin were quite 'chummy' also. “ Dowling Family, I was saddened to hear of your recent loss. TEC Dowling was my interim superintendent in Lex/Rich 5 for a year, and I gained much wisdom from him and his service to public education. I still wear the pin that he gave each of us that year: CHILDREN FIRST. He lived this statement in every aspect of his life. He also gave me good advice as I considered leaving the classroom for administration. Before he was my superintendent, he was a dear family friend. I grew up a couple of houses down from Mr. Joe and Ms. Kathy in Lancaster, and since all of our families were in education, we spent a lot of time together. I treasure those memories, and even though I am an Assistant Principal now, even when I was a child among the Dowlings, TEC acknowledged me and made me feel appreciated. He left every place he went a better place than he found it, and although he will be missed terribly, he is remembered fondly by so many. “ My deepest sympathy to his family. I was honored to have worked with Tec at FMES, Fort Mill, SC. His motto was "Put Children First" and he gave each of us a pin saying just that. He loved what he did each and every day. He was more than our superintendent, he was our friend. His door was always open to us. He gave unselfishly to everyone. We retired together in 1999 and, as I recall, we had a really good time at that retirement get-together. He may be gone but he is not forgotten. God Bless.###imported-begin###Anita E. “ Sara Lane, Joe Harry, Tippy I was so sorry to hear of TEC's passing, but I am sure you are very proud of all he contributed. What is most important are the special memories we shared so many years ago in that small, but very special town of Clio. My brother Gerald was connected to your father, Mr. Harry because of the railroad industry, Joe Harry to my brother Larry and Sara Lane, a special, very kind young girl who has come into her own. I did not know of all the accomplishments TEC achieved, however I know you are proud beyond words. Please know that thoughts and prayers are with you. To you Tippy, I have the upmost respect to a woman who has stood by her husband through the most challenging times. It can break the strongest and the most faithful in spirit, however you stood the test. Because of my experience with my son and his bouts with cancer, I can understand. Life doesn't give you anything, it is what you give to life. Be proud in what TEC contributed. May I add, it was amazing to watch him play basketball, he rarely missed the hoop. “ Tech was one of those very special people who got along with everyone. I had the opportunity of working with him as a fellow superintendent, as a member of SCASA, as a SACS team member, and as one of those educators who loved being involved. My last memory of Tech was our working together as a three-member team to evaluate some charter schools in Charleston. We knew Tech did not feel well but he NEVER gave up. He ALWAYS completed his responsibilities, ALWAYS stressed the positives of every situation, and ALWAYS brought laughter to the group. I remember his getting phone calls from his daughter and he would smile and say, "I've got to take this call. It is my daughter." The group made plans to work together again in the future with Tech as our fearless leader! He said "what do you want, Barbara?" and I said " I want to see my grandchildren!" and he said " well that's what you'll live for then!" What a sweet, sweet man.
