“ I graduated from Berea High School with a Tom Eskra -- I am assuming this is the same person as he was born in 1942 like I was. My thoughts and prayers are with the family. May the Lord bring you all comfort. The Tom Eskra I went to school with was a very nice person.

“ Cindy,
I remember as a young girl taking trips to your home and Tom showing me all of his Donald Duck pictures! I think I remember him even being able to talk like Donald Duck! I'm sure if I went through the boxes that my mom left behind when she passed that I would find the picture he drew of Donald for my brother David. He was so very talented and always so much fun. My deepest sympathies to you and your family. My thoughts and prayers are with you.

“ Cynthia and Phil Please accept my sincere condolences on the loss of dear Tom. Tom was a very influnctual part of my carreer in the alcohol beverage industry.
Tommy helped Phil and I when we were struggling at Northcoast Wine. Tom's constant guidance helped us move on to bigger and better carreers. Tom was instrumental in my move to Heineken. I worked for Heinken for 20 years, it was a great job. I always knew Tom was very helpful in the process of landing that job.I am and always will be very thankful to Tom. God Bless you. your "old' freind, Joe McDonald

Cindy, so very sorry to hear of Tom's passing, my heartfelt sympathy goes out to you. I will always remember those days when you and Tommy had that styrofoam sailboat we used as a beer cooler at Sam and Sandy's place in Marblehead. Those were the days. They created the best memories for us all. Much love to you. Mickey (Javorka) Antley
