Sarah and JoLanna, Thomas is going to be missed by so many people. He was always a good friend to me. I am going to miss seeing him ride that lawn mower and riding in his truck. There were many days when he was well I could look out and see him walking to the building in the back or see him ride by my apartment. I know he was probably lonely, just waiting for you all to come home from work. May God comfort you both and the rest of the family. Praise God, Thomas is pain free now.
