“ Dear Theresa, Tommy, John and Rory, Frances, Jim & extended family. Our hearts sank with the tragic news of Tommy Jr. What a loss you have all suffered and no words of ours can even begin to console you nor can we even begin to imagine how you feel in your grief. We were extremely fortunate to have met Tommy Jr. who was a wonderful young man and we enjoyed his bubbly, good-humored personality. He was extremely proud of his family and excited at meeting his Irish relatives. All we can say is that your great loss is felt by us all and we continue to remember you all in our prayers. “ Dearest Thomas, Theresa, John and Rory Heaven must be wonderful. You don't have to deal with anything that you disliked on earth, and you get to do the things you love, like eat great food, play favorite games, lift a million pounds if you wish. I believe Tommy is now in Heaven. He feels no pain, knows no fear, has no sadness and there are no problems in heaven. Eternal life is a blessing. It states so in several places in the Bible and I believe. Don't give up on your beliefs and place blame where blame belongs. Whoever believes in Him should not perish but have eternal life. John 3:15 NKJV Theresa, as a mother, I can not begin to know your pain. I love you, my dear dear friend. You are all in my prayers. Michelle##imported-begin##Michelle Branch Carson##imported-end##
