“ *When I flipped my truck over 3 times back in 07, Tommy was the only person who took the time to help. He went and got me a shirt to put on my forehead. Everybody else stood around. I only knew him for 2 minutes, but he made such an impact on my life. Every time I see someone broken down on the side of the road now I stop and help. One person can make a difference.##imported-begin##David Everett##imported-end##*

“ We are so sad to hear today of Tommy's accident yesterday. We got to know Tommy this spring when he was building a retaining wall on the lake bank behind our home in Surfside Beach. In the time he was here we had numerous short conversations, learning of his love for his family and life. His advice on caring for flowers helped us recover dying bushes. He talked lovingly of his kids, and even took a few moments to show our two-year-old grandson his backhoe/piledriver. He was a special person.##imported-begin##Alan and Sarah Beck##imported-end##
