Tom was my families next door neighbor for many years! He was a gentleman and a well respected man! He was very consistent and had a most pleasant personality. He enjoyed current event news and college football ! A most hard working man in his yard even when it was 95 degrees outside! Tom has a couple of tool sheds in his back yard and let me borrow any tools or even his lawnmower, most generous! I will remember him fondly for the rest of my life !
