“ Dear Carol, We are so sorry to hear about your loss. Gosh, we are in the woods here and did not know of his illness. Tom had such a quick wit he drew circles around most of us... You both lived a life at Pawleys/Litchfield which we think is how it should be. Comfort Lane...what a spot for you to now sip your coffee in the morning and sit and watch those glorious sunsets..remembering all those wonderful memories that you had together. We are thinking of you at this time. May God's peace be with you. Fondly, Johnnie and Susan##imported-begin##Johnnie & Susan Walker##imported-end##

“ Awfully sorry to hear about Tom. My condolences, Carol. He and I had a case some years ago, he representing a fellow from out of town. We settled it for a little bit of money and salvage titles to two old boats. I met with Tom at your house to go over the paperwork. It was a pleasure to deal with him and talk about family and all the changes in the Pawleys area. Barry Stanton##imported-begin##Barry Stanton##imported-end##

“ Carol and girls, I'm always amazed at the hand of God and His devine assignments in my life. I knew the instant that I stepped into your home and met Tom and you that it was not by "chance". Your house was so filled with love, that it was tangible. I pray that God would wrap His arms around you and comfort you during this time. I will never forget having met you. “ I will always fondly remember Tom's special smile and that certain twinkle in his eye. We shared much in our four years as members of the Citadel's "Ocsar" company, from those first plebe nights during hell week through the tough try-outs for the Summeral Guards. Although it has been some 40 years since we were last together he will always be a part of my memories of those special times that we all shared together at the Citadel.##imported-begin##Reg Lipp##imported-end##
