“ So many great memories we are all lucky to have you for 83 years We always had fun times cooking the marshmallows over all of our camping vacations adventures. Florida vacations will never be the same without your dad. You're originally from Jersey that is a lagoon with a screened in porch not a Florida canal with a lanai Dad loved us making fun of each other.

“ Our most treasured family memory is Pops Epic Cross Country Trip! He planned it all out with atlases, pen & paper. He also wrote a daily log which is so funny during the trip. We will miss you Dad
