“ To the Family: I am so very sorry for your loss. May Jehovah God comfort and support you during this most painful time. I did not have the privilege to know Mr. Mather personally. As a wife of a service member (who has served for 28 years), I am encouraged to see life-long marriages succeed. God certainly never intended on any of us to die at any age and that marriages and families should last forever. The Bible, at Job 14:14, 15, shows that God "yearns" to resurrect our loved ones to life again. At that time, 'he will wipe away every tear from (our) eyes. There will be no more death or mourning or crying or pain...' (Revelation 21:4); 'old will become young and strong again' (Job 33:25); and there will be 'no more sickness or wickedness' (Isaiah 33:24; Psalms 37:9-11, 29). May these divine thoughts and promises of God give you hope and help you to bear the waves of sorrow.##imported-begin##Tammy Johnson##imported-end##
