“ My heart and prayers go out to Angie,Lindesy the boys And Lauren. Prayers for all of Tom's family and friends. I have two thoughts I would like to share. First being: I always admired the love and respect Tom had for family and friends. He always shared so many wonderful memories of family. I guess you could calibrate it adventures the stories he would tell about he and his friends. They can all know they were very much loved. I had the pleasure of working for Tom for 8 years. He was a great boss but even a better friend. We worked together6 days a week. Out of all that time there was never a day we didn't have a deep down belly laugh, even when times were hard. A great gift he had to make people smile. Tom may you rest peacefully now

“ It was with great sadness that I learned of Tom's passing this week. Although separated most of our adult lives by geography, when he moved down to South Carolina we would get together when I was in town for lunch or dinner, but mostly for a round of golf. I truly enjoyed those golf outings as we shared memories of growing up in New Jersey and our family members. He had a unique sense of humor that truly made me laugh and smile. He was a special person who will be sorely missed. My deepest condolences to Angie, Lindsay, Lauren and the entire family.

I am so sad to hear of tommy's passing. I had many fond interactions with him during his days in NJ. Loved his dry sense of humor and that tentative smile so like his dad's. We called him "Hurricane Tommy" when he was little but he grew into a gentle giant guy. He will be missed. Love, Marietta

*To the Miscavage family,
Tom and I were classmates in HS and friends. We met in 10th or 11th grade in Latin class. Oh, the fun we had making jokes under our breath. I saw him last at our reunion a few years back and as usual the old gang had a ball with him. Whenever we saw each other we would say the old Latin phrase, "vini, vinci, victus" and then laugh! I will miss Tom. The world has lost a really great soul. Peace
Sincerely, Rita Scalzo Osvai*

Tommy's passing was much too soon. My sincere condolences to all his family.

I met Tommy through my good friend Pete Ogden a few years ago. Golf was enjoyed by all, not necessarily by the stellar play of our group but the great fun we had doing it. I enjoyed his company and humor and hoped it would happen again.

He will be remembered. May you find the strength to hold each other up during this difficult time.

*Sincerely,
Harry Yaede*
