“ *I find it hard to believe 6 months has now passed. My heart still aches for the loss of my dear Dad. I find comfort in knowing you are in a better place and pain is no longer an issue. Until we meet again....I love you, Daddy!*

“ Tom:

It's difficult to say good bye to a good friend, good teacher, to a good ECA can maker like you, thanks for everything you had done for me and my family during the last years. The good news are: that where you're now is the Best Place to be for the eternity and one day we'll see you there, there is no more pain, no medical appointments, no medicines, nothing at all and you have a new body. See you soon Tom.

Joan:

Thanks a lot for the love to take care of Tom during the last days, God Bless you and you did an outstanding job, well done mama.

Page family:

Here in Guatemala you have a lot of friends that are feeling sad because Tom went to the Father's house, we are praying for you in order to understand God's plans.

You'll have a house whenever you want to come and visit us in Guatemala.

With love

“ You and Tom have always been a vital part of our church family. It's because of you and the other charter members that God has blessed us so richly with a wonderful new building.

It's not always easy to give up those we love, but it is easier knowing that Tom was a Child of the King and is now in Heaven with Him where there's no more pain or suffering. He will always be remembered as a special individual who touched the lives of so many people.

Know that you will always have a church family in Monticello that loves you and continues to pray for you.

*Love Always,
Your Monticello Church Family.*
