“ I moved to Long Beach from San Antonio in 1963! Study hall was in the library with 2 to a table! I was assigned to Tommy's table! He was a great guy and we created a lot of mischief and laughs from that table! I remember our shock when they came in and told us the President, John Kennedy had been shot! Rest easy Tommy!

“ We just saw this and are so sad. I still think of Tom whenever I see an old Chevy Malibu which he once described as "a motorcycle in disguise" while we were at Pulliam Wray together. We are thinking of all of you right now. -Charlie and Lucia Johnson
