“ Fran, I am so sorry for your loss. I pray that God will comfort you at this time and help you through this loss. I remember how much you talked of Hoyet when we both were at Canal. I miss those days at Canal, I wish we could have a reunion to see our old friends again. Betty White informed me of Hoyet's passing but I couldn't make it to the service. You are in my thoughts and prayers, may God bless you. Cathy##imported-begin##Cathy Cantrell##imported-end##

“ Frances, So sorry to learn of Hoyt's death. We were in Garden City two weeks ago and I thought about calling you and him. Sorry I didn't follow through. I have so many fond memories of Hoyt when we were growing up. We visited them quite often. Aunt Dolen would always fix Sunday Dinner for us. Occasionally, they would come to our home. Hoyt would always get me in his car and we would go for a ride and talked about "boys and girls". ha ah We also dated together and that was fun. I will call you the next time I am in Garden City. So sorry for your loss and I will be praying for you and asking the Lord to keep you strong and at peace. Love you Sue Phillips##imported-begin##Bobbie Sue Hawkins Phillips##imported-end##

“ Dear Fran: I will always remember Hoyt. He was always so nice to let us buy hams and turkeys through him. I still remember when we all worked downstairs at Canal. I asked Allen Timmons about you just the other day, a few days before Allen retired. We had good times at Canal at the old location. May God bless you: Sandra Powell (you may remeber me as Sandra Loftif) I've been Sandra Powell for 29 years now. I have always loved you so much. ##imported-begin## Sandra Powell ##imported-end##
