“ I was Tom's Training Officer on the Roselle Fire Department and really enjoyed working with such an hard-working and humble man. More than once, I tried to convince him to become a paid Firefighter, but he would just smile and say he was happy just being to give of his time for his town. I know I speak for all the "old timers" when I say he was a respected and well liked Firefighter who could always be counted on to do whatever was asked of him. Our deepest sympathies go out to his family. I will always remember him as one of "my guys".
