“ One of *THE FUNNIEST* people who didn't need to be on stage, to entertain. Where ever he was standing or sitting, that was this stage. He was the ultimate jokester. He made you laugh, not only at him, but at yourself too. He touched many peoples' lives and he definitely left a lasting impression. You will be missed, my Brother but I'm lucky to carry around all of our memories. Love you a lot T Bird.

Tommy was extraordinarily helpful to me doing a very difficult time in my life. Even though at the time he was going through his own personal troubles, he always took the time to listen to me advise me and keep me on the right path. I'm sad that he's left Earth but I'm also confident that he is in glory with God in heaven. Rest in peace, Tommy.
