“ There are not enough words to say about Tom. I met Tom back in the 80's when I started giving him haircuts till I moved a year ago to Colorado. Tom taught me how to golf, and would go out and play a round with me any time I called. His love for life, and of course golf was real. Then he met his real soul mate, Karen. I was so happy for both of you. Moving out of Michigan with Karen was the best thing he did for himself, tom always gave to others, and now it was his turn to live his life. Tom you will be missed buy so many loved ones. May you Rest In Peace my dear friend. God bless.

“ Seems like every time Tom and I got together, there were stories made. Tom was that kind of guy. Tom roomed with me in my Livonia home and I bet the walls are still talking and laughing. I was so happy he finally broke away from Michigan and to the woman and the place he loved, Karen and Myrtle Beach. Was looking forward to a little winter visit this year to play golf with Tom...sure going to miss this fine man.
