

Thurman Lee Deviney

October 7, 1958 - February 2, 2021

Thurman Lee Deviney, 62, of Myrtle Beach passed away on February 2, 2021 at Conway Medical Center. Thurman was born October 7, 1958 in High Point, North Carolina, a son to the late Billy Ray and Jacqueline Deviney. As a teenager, his family relocated to Myrtle Beach and he graduated from Myrtle Beach High School. He was preceded in death by both of his parents.

In his adult life, Thurman worked for Terminix and Quest Diagnostics. He also owned and operated an online engraving business, "Engraving by T". On March 17, 2001, he married the love of his life, Kelley. They spent nearly 20 years together and were inseparable. In his leisure time, Thurman enjoyed following politics, working on his engraving business and maintaining his yard, which he was very proud of. Thurman was a lover of nature and animals, especially his dog. He was a very kind man who always had a smile on his face and never met a stranger. He and his wife Kelley did everything together and were more than just spouses, they were best friends.

Thurman is survived by a small but devoted family, including his loving wife of 20 years, Kelley Deviney, his parents-in-law William & Betty Starks (who recently relocated to Myrtle Beach from Kentucky), his cousin Bonnie Price and her husband Tom, his special friends Buddy & Sherry Leonard, his loyal dog and friend Champ, as well as countless other friends.

Per the family's wishes, there will be no public funeral services. Goldfinch Funeral Home of Carolina Forest is honored to serve the family.
