“ Roxie & Steve:

We're so glad that we got to meet you and your family back in 2004. The time that we shared with Tiffany not only at Goodwill and Kroger but especially the chats we had when she was able to ride that 3 wheeled bicycle in the neighborhood and on the porch. We know that she is in a special place now sitting at the right hand of God. She was such an inspiration to anyone who came in contact with her. We pray that your time together with your family as you grieve will be blessed time. We send our love. God Bless.

“ *Roxie and Steve, this news brings us all such sadness. I have to say your daughter touched so many lives, and definitely mine. I am so privileged that I got to know her. She is one of a kind and will never be forgotten. Even though her time here has come to an end, it's just the beginning of her next life in His Kingdom. Never again will she have to deal with ailments or disabilities. She can shine with all the glory that made her such a wonderful person to everyone she ever met.*

“ Steve, Roxie, Raquel and Jeanette,
We are so sorry to hear about Tiffany. She was such a sweet, kind and caring person. She always put others first and she never met a stranger. Her sweet smile would light up the room the moment she came in. We have so many fun memories from Thamesmead Lane as well as the beach. Her love for people and animals were genuine. Please know you all will be in our thoughts and prayers during this difficult time and the days ahead.
Love and prayers,
Bill, Teresa and Family
