“ *Bill, Barbara, Stan and Chris, Melinda and I are so sorry for your loss, Tim is loved and will be missed dearly. He was a free spirit which we need more of these days. Tim and I spent many summers working at the park talking about music and about his hiking trips. One of my favorite gifts was a CD of the Mulletts he gave me as a wedding gift and is still one of our favorites to listen to this day. My girls will miss seeing him walking the dog and stopping to say hey on christmas morning. Our thoughts and prayers are with you all. “ We fondly remember all the Saturday morning breakfasts at Krystal's or Bojangles, then grocery shopping or on to Costco to get dog food for Samson. We were so thankful to have you for Thanksgiving last year and hoped for the same this year. You turned us on to home concerts at Phylis and Mike's. We appreciated your love for hiking and the great outdoors and felt bad when you rode to Maggie Valley with us so you could visit Bill and Sherry and do some hiking, but you didn't have the strength or energy to walk after you got there. You shared so much of your life with us, how you loved going to family reunions, visits from your aunts and those special times with Jamie. We will miss you, "little buddy" and our prayer is that you are rejoicing with your mother.##imported-begin##Kenny & Ann Prince##imported-end##
