“ To Tim's family....

I was a coworker of Tim at Aplex. He was a really good guy and I enjoyed talking with him about sports and the various tv shows and series he was watching. I miss him! My condolences and prayers are with all of Tim's family and friends!

Margaret (Anderson) Sanders entered our lives at an appropriate time after we had lost our mother and became that central figure in helping both of us but especially Tim during those formative years. She took the time to talk with you but she also pushed you to do the right thing. She also was taken from all of us way too early.

Loved Tim, like a brother. He was smart, caring, kind, witty and very funny. We had so many laughs together. Oh, I forgot competitive, especially in fantasy football and he would debate you until you had to give up! GOD bless, I know you're in eternal salvation with Jesus! Love you!

Really missing my friend and colleague. Tim was the movie and tv buff, sports enthusiast, Aplix bookie, and all around good guy! Always very helpful with little accounting problems and willing to lend a hand. Yes, John Rinaldi, I agree with you! Tim was very competitive! Would love to rub it in when he was winning in Nascar! Miss you my friend!

I will miss you my friend dearly 💔 I will often think about our long talks, seeing the smile on your face after I would detail your vehicle. You made Fantasy football and ncaa basketball in March that much more fun. I'm forever grateful you for giving me the opportunity to purchase the Camrey that I have been driving for 6 years with not one single problem. Now this car really holds value to me and all of the memories we have had. Such a good spirit and a heart of gold. Fly peacefully my friend & know that you are loved brother and your presence will be greatly missed. Here's to you buddy "SALUTE" one last time! 💙

This is a great picture of our mother who unfortunately passed away much earlier as Tim and I were 11 and 9. She was missed then but Tim will be able to meet her again in heaven.

I chose this picture of our father as this was how we most remembered him. We spent a lot of time with him after our mother passed away. Then he found another person to share our lives who became a rock for the family, our step-mother, Margaret L. (Anderson) Sanders.
