“ Dear Friends, We found out today after getting home from the beach that Toby had passed away. We so wished we had known because we would have loved to seen each of you. Praying for you all and sending our LOVE. We spent most of the night talking about the kids eating oysters for the first time at your house. Thanks for some great memories. We wanted you to know that we always knew we could count on Toby and his family for anything. He was a great man and will be missed. “ May the Lewis family find comfort in knowing that God is "near to those that are broken at heart; and those who are crushed in spirit he saves." (Psalm 34;18) He has promised to soon "swallow up death forever...and wipe the tears from all faces." (Isaiah 25;8) Take care,###imported-begin###valerie thompson###imported-end##
