“ Hi Tommy, We are so sorry to hear about the loss of your daddy. I share in your pain. Our recent loss of mama (Janice Smart) has torn my heart out. I have cried everyday, so I know and feel your pain. I know our parents are in a better place and wow what their eyes are beholding, but it does not make the pain go away. It does give us a peace, but the pain is still in full force. Please know we will remember you and your family in our prayers and thoughts. May God Bless you, your family and us in the coming days, months, and yrs as we live on this earth without our love one. “ *Oh my gracious! Eva, Tommy, Courtney, Trey and family. I just moments ago heard the news of your losing Mr Tom. My heart sank and yet at the same time I could only think of him in heaven with Daddy shaking hands, hugging and laughing. WOW, when I think of Mr Tom I think of the perfect man, father (other than mine) provider, honest, always smiling, loving, giving and admired by ALL!! I am truly so sorry to hear about this. I only wish I had heard sooner to be able to attend services today. Please know, from the bottom of my heart that you ALL are in my thoughts and prayers and know God will comfort you in this time of loss. You are strong in his faith. I will do my best to come see you all but in the meantime if I can be of any assistance please contact me. And HE said "AMEN!"##imported-begin##Barbara Edwards Jackson##imported-end##*

“ What a true gentleman Big Tom was. We will never forget him as he always had a smile on his face and a hand extended in friendship to all he met. I never hear him utter a negative word about anyone as long as I have known him. His devotion to his church and his family was second to none. He will truly be missed by all. He is in a better place now and will be looking down at us always watching and providing his special "AMEN!" when the choir finishes singing. We will all see him again someday. Until that time we keep the family in our prayers. God Bless!##imported-begin##Ron and Teresa Pougnaud##imported-end##
