“ *Tom and I were great friends when we were younger. As with many friends time and distance came between us. I thought of him often over the years and always wondered how he was doing. I always considered him one of my best friends and always will. I just learned of his passing today from his brother Donny and it grieves me deeply. Tom would stop in the Surfside Post Office where I worked occasionally and I would try my best to catch up but there was never enough time. Tom I loved you like a brother and will miss you. My heart goes out to the Kight family.*

“ Tom You will always be with me until we meet again, Our love is never ending, life may pass by but my memories and love we shared will never end. You will always have a place in my heart that no one or nothing can take away.

The times we shared with my family in Germany will always be remembered by everyone. You were a loving son that could always be counted on when any tasks needed to be done. May the Good Lord Bless You and Keep You and Grant You Peace.

“ To a great Son, Tom if I had only known how to have done more to make you feel better, we wouldn't be experience this sorrow now. Every time I see a picture of you it makes me sad that I couldn't see how hurt you were and I didn't try harder to help you. You may have gone to a place were a person can find peace, but you will always be here with your mother and me until we met again. Ours is a never ending love. You will always be a large part of each of us. May God Bless You, May He Shine His Loving Light on You and Grant You Peace.

“ *This man was one of best friends, heavenly Lord. He taught me so much about life and how to be true one`s own principles even when worldly forces try to turn us against your holy precepts. Although I fought with him now and then, he served you by helping those in need, and he always did it cheerfully and sometimes even sacrificially. Yes he was a very good man. Thank You Lord, for the gift of him in my life. Now help me to follow the example he lived so I can have a peace about his death, even though I`ll always miss him. I always will miss him, he will be in my heart always and my soul forever. God be with him and my family. His baby brother Donnie Kight*

“ *Tom, sweet, sweet Tom. Always so helpful and kind....executing any wacked idea I had for decorating (he may have thrown his hands up in the air later). He always had a smile and friendly greeting for me....and he was so meticulous and (rightly) proud of his work. I just can't believe he's gone...gone too soon.*

“ Tom was always fun to be around a great friend. Always happy & quick witted no matter what he was going through personally he would cheer YouTube up. All the years I knew him never saw him lose his temper. Lol sure the usual speaking French to his tools but never saw a mean bone in his body. He was always trying to help others out trying to get them help where they needed it out of his own pocket. A true George Bailey if I ever saw one. I think God chose to bring him home to be a guardian angel over all his loved one's. He was a great man & I for one will surely miss him! Jimmy Cassidy

“ A number of years ago, my husband and I owned property in the Surfwatch II building in Surfside. Tom and another co-worker spent many hours updating our unit for us. Tom was very particular and wanted everything to be just right, and that showed in his work. We enjoyed listening to his stories. Tom was a good guy. Debbie and Dale Brown

“ Tom set the bar for raging out on others incompetence. If something did not go his way you better watch out!! On the flip side he would cuss you from a far and be as gentle as a flower up close. He would give you the shirt off his back. A very entertaining human and a uncle anyone would have loved to have in their family. The stories are endless. Surfs Up Bro!!!

“ I witnessed first-hand on more than one occasion how Tom continually put others first. He was always reaching out with a helping hand. He truly had a big heart and helping was a part of who he was and always will be. He also took genuine pride in his work and was excited to dive into a new project especially where he could show his carpentry and craftsmanship. These projects will be a happy reminder of his legacy. His smile and happy greeting will be greatly missed. Our hearts and prayers go out to his family at this tragic time. David Nelson and Family
