“ *I am so sorry to hear of Tommy's passing. I knew him only from Conway Manor. Our congregation leads in worship there monthly, and Tommy was there every time he could be, singing and testifying to his faith. I don't suppose I will ever sing "I'll Fly Away " without thinking of him. We talked about the Lord many times, and although I will miss him, I am absolutely convinced I will see him in heaven. Thank you for sharing such a precious spirit with all of us! Praying for all of the family.*

“ I was so blessed to know Tommy. He was a wonderful Christian man and he left a lasting impression on me. I will be a better person because of knowing him. I know he's loving his new life with the Father. I am sad for myself but at the same time, so happy for him.

“ Words can not express my true feelings about my friend Tommy, he was a very special Child of God and he loved for me to pick at him as I always did every sunday, when I visited Conway Manor, after he had lunch he would come into Lois Martin's room and I would tell him he was interrupting us and he would laugh then we would go to the Activity Room to sing and Tommy would sing his heart out. Thank you family for letting me be a part of your family during this time!  
May God Bless You as He wraps His Loving arms around each of you.
