“ I just wanted all of you to know what an honor it was to be asked to be a pallbearer for uncle Tony. He always made me feel like his own son and has forever left a stamp on my soul on what it was to be a man in every way. He was always someone that I could never have imagined dissapointing as he always gave so much more than he took in life. It was a true honor to be able to participate in taking him to his final resting place. I will be always grateful to you for that day. With Love, Gary, Michelle, Gary, Brandon, and Gabrielle.##imported-begin##Gary##imported-end##
