“ I saw something this morning on the news that reminded me of Tony, so I googled him to see how he was doing. I am a Respiratory Therapist, and took care of him at Loris Hospital South Carolina in the late 1980's. His brother Robert was almost always at his bedside. I moved out of state in December 1989, and that was the last time I saw him. Needless to say I was crushed when I learned of his passing.

Tony was an inspiration to all who knew him. I can still see his dazzling smile-even while he was suffering.

I was pleased to learn he had accomplished so much despite his injury.

We can all learn something from his strength and spirit.

May he Rest In Peace in the arms of The Lord...

“ Tony was an amazing friend, generous and funny. He could relate to anyone and helped many who had also sustained spinal cord injuries. Tony taught me alot as a friend and as a professional, as I am an occupational therapist. I miss going over to hang out with Tony and my husband Ryan, who was Tony's evening caretaker for years. My deepest sympathy to Tony's family.##imported-begin##Mrs. Kelli Cossette##imported-end##

“ I was truly blessed to have had the privilege of working with Tony for the last 6 years. The thing I will remember most about Tony was his unbelievable outlook on life. He was truly an inspiration to me and all his friends here in Minnesota. He brought me back to SC twice and both trips will never be forgotten. To Bobbie, Linda, Lynn, Brian, Lorie, Wanda, Robert, Freddie and everyone else that I have met and at this time cant remember names, I love you all and send you my deepest sympathys###imported-begin###Ryan Cossette###imported-end###

“ To start with I want to say Tony I Love You, You were and always will be a special to me , a dear friend, a true friend, a sexy friend. You are one of a kind. I know this wasn't what you wanted right now, but you were tried and your body need to rest cause the lord has better plans for you. Tell Mom we all said hi and send our love. To the family of Tony, I know everyone is going to miss him so very much. I know he was loved and he knows he was loved, that's what has keep him going for many, many years. I am sorry for you pain, but he's with Mom now and now both are happy. They can help each other. Ms. Essie is in Hog heaven now for sure she's got her baby with her, she can see for sure that he is being toke care of, not that this is what she wanted. She wanted nothing but the best for Tony and everyone tried so hard to see that he got just that and everyone that was there for him was loved dearly by him. I hope that the pain in your heart will heal, but the joy of knowing him and loving him will never leave. Best wishes to the family and friends and May God bless each and everyone.###imported-begin###Nora & Kevin Register###imported-end###

“ TONY SPENT MANY SUMMERS HELPING MY FAMILY WORKING ON OUR TOBACCO FARM IN AYNOR. HE LIVED WITH US DURING THE SUMMER AND WAS ONE OF OUR FAMILY. I SAW TONY SEVERAL TIMES AFTER HIS ACCIDENT AND WAS IMPRESSED WITH HOW WELL HE WAS DOING. I HAVEN'T SEEN OR SPOKEN TO TONY IN MANY YEARS, BUT HAVE THOUGHT OF HIM MANY TIMES. I WILL REMEMBER HIM AS HE WAS WHEN WE WERE GROWING UP. HE WILL BE TRULY MISSED.##imported-begin##MICHELLE MARTIN##imported-end##
