Tracy Hanna Foye

December 6, 1958- September 23, 2021

Born in Kingstree, South Carolina to Henley and Varner Hanna with a love of art she attended Coker College and graduated with a Bachelors in Fine Art. She Began Tracy Hanna Foye Design in 1982 until present.

She loved her family. Having Mark Hanna as her brother and his 3 children Jayd, Madelyn and Drew. Along with countless cousins, aunts and uncles. She will be remembered for her smile, her time with others, and her love for everyone she met.

On October 8th, 2000 she married Brian Foye at the Sea View Inn on Pawleys Island. Tracy will remain the love of his life. They have two dachshunds Mayling and Bogy which are their babies and rule their household. If you know her you knew them. So much love she had for them.

Tracy was a resident of Pawleys Island for 40 years with countless friends and clients too many to name and she so appreciated all of them. If you are an owner of a piece of art or a custom painted piece of furniture, consider yourself blessed!

“ Tracy was one of the few people who brought joy to my life just by knowing her. Her talent, intelligence, politics and common sense were all attributes I respected and admired. Conversations on Facebook and occasionally meeting for lunch at the Ball & Que are now treasured memories. I loved her artistic talents and I had planned several projects for her in my home, painting a mantel and interior door with a faux wood finish like you can see at George Washington’s Mt. Vernon. Brian, I don’t know you personally but one thing is certain, you were her world and the devotion you two had for each other was larger than life. My heart breaks for you. Your loss, our loss, deeply touches us all. May God bless.

“ Tracy was such a special person. I only had the pleasure of meeting & working with her for the past year but, in that small amount of time, we became fast friends. She was such a fun, happy & talented gal with a contagious laugh. She will be greatly missed. My deepest condolences to her family.

“ Tracy was a great person. I only knew Tracy for couple months while she was at the house painting we had lil conversations everyday she was there, just those lil conversations that can make someone’s day. She had a smile on her face everyday and I can tell she loved what she did and everything she painted at the house was amazing. She was really 1 of a kind. It’s hard to fine people like her nowadays.

“ Tracy was such a sweet and talented friend. I loved seeing all of your artwork and paintings I will cherish the many memories during college of laying on the bed and listening to Tracy and “Mama” Nancy (Barrineau) sing and tell funny stories. Those two ladies were loved by all and I am sure Nancy met Tracy with open arms and a big hug at the pearly gates.
Brian we are remembering you in our thoughts and prayers.
Love,
Nan and Danny

“ Tracy was my neighbor and friend. We walked together, talked together, ate together and even painted together when I was in her design classes. She painted/ antiques & glazed my kitchen cabinets. I was always proud to say to anyone who inquired, “A wonderful artist and my good friend, painted those cabinets”. I do not know a soul who did not get a smile on their face when I mentioned her name. 💕

“ Tracy and I met years ago when she began painting art for my clients, hand painting furniture and faux finishing walls . She could do miracles with her work. We became good friends and business partners. Tracy was always there for me and many others.. If you met Tracy, you met a friend. We have all lost a very special talented friend.

“ *I have known Tracy for over 40 years. We met at Coke College and were close friends from then on until now. Everyone at Coker adored her and she loved us back. We have many wonderful memories of those days. What will I do without our phone calls just to “catch up”? My heart is broken and I am devastated. Your love for Jesus was quite evident in the way you lived. You had a servants heart. My love and friendship for you will carry on until we meet again. Tell Varna and Henley I said “hey”. My sweet Tracy May you Rest In Peace and rise in Glory.*

“ Tracy Hanna-Foye left an indelible wonderful impression on anyone she met! She always looked you in the eye when talking to you, really listened & always cared about you. It was never about her. I have watched Tracy at her work which was truly mesmerizing & awesome to see her execute & duplicate whatever the client requested. I have seen her stop whatever she was doing to listen or go to whomever needed her. She has left me with a huge hole in my heart but I will fill it up again with memories of her smile, her laugh, her caring, her love for Pawleys Island & its' people. She was quite a woman & someone I truly admired & loved. Hopefully we shall meet again & I can't wait! I miss her but I know with her faith in God & His beloved son Jesus, that she is with Them & basking in the glory of Heaven.
