“ It's hard to beleive your gone and we're signing this guestbook. It's just not right. Along with other fun times, I'll always remember the cruise on River Road with the top down and the snow falling. Only you would have thought of that! A memory I'll cherish forever. My heart really goes out to you Nicole. Please know that your father touched the lives of many here in Beaver. Compassion was one of his strenghts, even as a high school student. He was always full of life and loved to make us laugh! May your capacity to deal with the pain grow, as the days pass by. Sincerely,##imported-begin##Kim GrossDishler##imported-end##

“ Dear Mr Smith, Don, Tim and Family, The Toia family would like to send our deepest sympathy and prayers to all of you. Our brothers were the best of friends growing up. So we spent a lot of time together when we were very young. As we got older, he still remained one of the kindest people I knew. Please know that my thoughts and prayers are with all of you.##imported-begin##Joan Toia-Ciotti##imported-end##

“ My deepest sympathy goes out to the Smith family members. I was very saddened to hear of Tracy's passing. He was a dear friend to my brother Frank. I always remember how proud he was of his orange car! Because he was three years older than me, he was always looking out for lil' Poffie. You will be surely missed Tracy. “ While working with Tracy, I came to know him as a wonderful man. I was always impressed at the love he had for his daughter, whom I had the opportunity of meeting once at the mall. I know you will all greatly miss Tracy, as will I. I loved our talks, and am heart-broken that we will never have another. Know that God will sustain us even in times of sorrow. This is when we will see only one set of "foot-prints in the sand", and those will be His for He will carry you through these times. Keep your heads up and don't hesitate to let his "work family" help anytime you need. Sincerely, Renee Elvis###imported-begin###Renee Elvis###imported-end##

“ My good high school buddy is gone. How many hours we spent in the orange Cutlass Supreme with the 411 gears Tracy installed... What a guy was my friend...always upbeat, full of vigor, always there when I needed him. We shared many dreams of the life we would lead. I hope that he found some measure of happiness as he tried to make those dreams come true. I am sure his family was an important part of living the life we discussed. Although we had lost touch, I looked forward to meeting up with him again. The world grew a little colder today when I found he had left us. His family has my deepest sympathy in their loss. My prayers are with you buddy. God Bless Tracy Smith my good friend. I'll miss you.##imported-begin##Frank##imported-end##
