

Trey Jordan

December 3, 1992 - April 8, 2023

TREY JORDAN

William Charles Jordan III, (TREY), born December 3, 1992, received his angel wings in Heaven on April 8, 2023. Trey was the son of William Charles Jordan Jr. (Chuck) and Yonna Jordan.

Born December 3, 1992, with many physical problems including spina bifida and hydrocephalus and paralysis, Trey's parents were told that Trey would likely not make it through the night. However, the doctors did not know that God had HIS perfect plan for Trey's life of 30 years. Throughout Trey's life, obstacles that he and his parents were faced with became challenges and successes. Though Trey never played with the Myrtle Beach Pelicans, he was an active member of the Myrtle Beach Miracle League playing baseball, golf and soccer. Trey was the "face" of Trey's Way, a non-profit that his parents organized to help with information, medical equipment and other help for parents with children and adults with special needs.

During Trey's life on this earth, he was hospitalized over 300 times to include multiple surgeries, infections, implants and various other medical procedures. However, Trey never complained and often apologized to his parents because he was sick; never needing to but wanted to offer his apologies.

Trey was a fervent believer in prayer. If Trey talked with you and knew that you were sick or had a problem, he would tell you that he would pray for you and he would pray. Trey had such a belief in the power of prayer that he never minded asking others to pray for him.

Since April of 2022, Trey has been in and out of the hospital almost 7 ½ months. During these months in the hospital, Trey has been on many, many prayer lists and God has answered those prayers. During this period, Trey's doctors told his parents three times to gather the family quickly because he was not going to survive. In God's infinite wisdom, He had further work for Trey to take part in. God's final design for Trey was to survive these declarations made in many different hospitals allowing them to see with their own eyes the power of prayer and serving a mighty God.

Trey was a member of Mount Hebron Church in Loris, SC where he would sing praises and serve the Lord by taking up the tithes and offering when he was able to attend. He would verbally share his feelings if his health or situations would not allow him to be there because that is where he wanted to be.

Trey is survived by his parents, Chuck and Yonna Jordan; sister Megan Martin (Mike), nephews: Mason Martin and Max Martin; niece Madison Martin. Grandparents; Bruce and Lynn Crocker as well as his aunt, Lori Crocker and her husband, Jacob Guerrero. Trey was the grandson of William C. Jordan Sr and Margaret Dell Jordan who predeceased him. Trey was a friend to many whom he shared his joy and love of living and loving them for just who they were.

Visitation with the family and friends will be held at Goldfinch Funeral Home, Conway SC on Tuesday April 11 from 6:00 p.m. until 8:00 p.m. Celebration of Trey's life will be on Wednesday April 12 at 2:00 p.m. at Goldfinch Funeral

Home, 600 Beaty Street, Conway SC. Interment will be at Oakey Swamp Baptist Church, 3795 on Juniper Bay Road, Conway following the Celebration of Life service.

When reflecting on Trey's life, it becomes evident that he placed great value and importance on expressing love and appreciation toward others. This serves as a reminder for all of us to always tell those who we care about that we love them and to remind them of God's love. Ultimately, the most valuable and greatest gift that we can ever give to someone is our love.

Trey's life serves as the ultimate example of how to live out these values. He made it a priority to express his love and appreciation toward others, and he always reminded those around him of God's love. Trey accepted everyone for who they were, and he never failed to make them feel valued and appreciated. His legacy reminds us of the importance of expressing love and gratitude towards others, and the impact it can have on their lives.

“ *I had the privilege of meeting Trey through his mother in nursing school. What I admired about Trey was his love for God, was so genuine, consistent, and pure. He was truly one of a kind, a selfless person who did not mind praying for anyone despite the circumstances he was facing. Trey, you have fought a good fight, you have finished your course, and you have kept the faith. To be absent from the body is to be present with the Lord. Good night & take your rest Trey., we'll see you in the morning. In this time of loss, may you feel the presence of God's love and know that He is always with you. You and your family are in our thoughts and prayers. With love from our family to yours, ~Shekinah Smiling-Waiters*
