“ I met Una Gail in nursing school and she had more energy than the rest of the younger ones. She was 20 years older than I. We all got along well there were 8 of us and Lora Kay Powell come back where she had left off the year before and that made us 9 and that what we graduated. We started off with like 50 some. I was really glad to see her when I went to work one day last summer. She was as spry as ever. She had such a big smile for me and hugged my neck and called me Bonnie. Always wanted to know when I was working next. She reminded me of my mom. I knew one day when I went to work she didn't seem to know me and I was pretty sure she had a stroke at some point but too late for the shot and she just kept going down from there. I'm am going to miss her terribly. Time changes everything but not always for the good. I've known Una Gail for 41 years. That's a long time to lose a friend. May God be with the family as u go through this difficult time. Russell, Cynthia, Peggy and all others. May Gos bless you.

“ I really enjoyed the visits with Una Gail the past several months. She was always concerned about other family members and wondering how they were doing. I will always treasure the time I spent with her. May each of you have peace and strength and be assured that you are in my thoughts and prayers. Love in Christ, Edith Glasgow

“ *I'm so sorry to hear about Mrs. Una Gail. She was a sweet lady. We lived across the road from them for a long time while I was in school. All of us kids were friends. Cynthia and I were close friends. Her Mama put up with us a lot. I loved Mr. Henry too. I wish I could be there to see all of you but I'm having to work. My thoughts and prayers are with all of you.*
