“ Dear Ted. What a shock to learn of the loss of your beloved Velma. She was a great lady. The lasting comfort you and I have is that our spouses lived full lives and died suddenly, rather than at the end of a long, terminal illness. My thoughts and prayers are with you and your family. Best . . . always, Bob###imported-begin###Bob Irelan###imported-end##

“ May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss.... I have learned never to underestimate the healing power we all have. It is always there to be used for the highest good. Blessed are those who mourn, for they shall be comforted. (Matthew 5:4) May it be a source of inner strength to know that there's a loving God watching over you, and that, throughout this time of need, He'll stay close by your side. I have fought the fine fight, I have run the course to the finish, I have observed the faith-2Timothy 4:7. As for me I will lie down that I may sleep; I shall certainly awake for Jehovah himself keeps supporting me-Psalms 3:5.###imported-begin###Magallon Family###imported-end##
