“ It has been a long time since we have laughed together Lauren. Not a day goes by without you in my thoughts..after 6 long years without you to follow, it has been a rocky road on my own. I havent spoken to your parents in a long time and today, I got to see your dad. He actually came to my house looking for me, and go figure, I wasnt home, but he spoke with my parents and he called me and we got to spend hours today laughing, crying and sharing memories about your life. I told on us, sorry, about how many times we really did skip school...yes, and the part where we just drove to Charleston to learn the Hank William Jr. cd..he laughed..Im going to meet Frankie tomorrow, Im super excited! I'm going to help your family, they miss you and love you so much! I miss you lauren, I miss you everyday. I hate that your gone, but I will continue to talk to you as I always do, to keep you alive in my heart. I know I will see you at the gates of Heaven..I know you will be there. “ Dear Mrs. Mary & Mr. Frank, It has been so long since we have talked. Lauren was like a sister to me, and not a day goes by that I do not think of her. Loosing Lauren was one of the hardest things I've ever gone through. Having a child of my own now, I can't imagine how hard this has been for you. I miss you guys very much and wish that we could have spoken more the last few years. I love you both very much and appreciate all that you did for me. You always treated me like a daughter. Lauren was a great person and a tremendous influence on my life. She will always be remembered. God Bless you both, I'm always praying for you and thinking of you. “ Hey Dannie, Mama misses you so much that sometimes I just don't want to wake up, so I can be with you. In 10 days it will be 2 years since I held you in my arms. I wish I could say its getting a little easier to cope but it isn't. I miss you more and more each day that goes by. Dad does to, you know how much he loves you. We both miss you so very much that part of our hearts are gone. Just know if I could pick any girl in the world to be my daughter it of course would be you. You are a beautiful person with a soft heart and a kind soul, it won't be long before we are together again, until then fly with the angels and know Dad and I think of you dailey. Until we are together again remember how much you are loved and missed by Mom and Dad##imported-begin##Mary##imported-end##

“ Dear parents of Lauren Hurst,i did knot know your daughter and had never even met her before she died, if you asked me now why im writing this i could not tell you. I was reading the newspaper the other day and saw the obituary for her and i was deeply saddened to hear of someone so young to have their life so abruptly cut short. You see, im 17 myself and to hear of someone this young dying for what reason i cant imagine is very disturbing. From what i have read here today i know that your daughter was a very beautiful and special person. Thats the one thing i do not understand about this world, why does someone who im sure has never hurt anyone or done anything wrong have to be taken away? Im sure you think im a strange person, writing this not even knowing your daughter but its not fair for things like this to happen. I send my condolences to you and your family and just a reminder that wherever your daughter is now it is a much better place than here and you can live the rest of your lives happily knowing that you will be with her one day. R.I.P. Lauren Hurst.##imported-begin##Ryan N.##imported-end##
