“ Dear Cricket, Dale, and Bunny, I am so sorry to hear of the passing of Aunt Vera. She was a very special lady who touched many lives with her laughter and compassion. I have some really fond memories of her in my childhood. I wanted so much to go to the visitation or the funeral, but my work schedule and the distance prevented me from doing either. However, all of you are in my thoughts and my prayers. May the God of comfort bring you peace that passes all understanding and grant you the assurance of His loving awesome presence during this time of sorrow. You can always find assurance in God's Word, strength in His presence, comfort in His mercy, and peace in His love. God is an ever present help in times of trouble, lean on His everlasting arms. Love, Mary L. Howell (Harry's daughter)###imported-begin###Mary L. Howell###imported-end###

“ Dear cousins, Who would have known that your dear mother would leave so soon after "mama Pearl"? I know you will all miss her so very much but that you are also at the same time happy for her that she no longer feels pain and that she is united with family and friends who have gone on before her. She was a truly dedicated mother, daughter, sister, nurse and friend to many and will be remembered as a very giving and loving person. I know you will always hold her in your hearts with the fondest of memories. Our thoughts and prayers are with you all at this time of great sadness. Sincerely, Dale Lee Kibler###imported-begin###Dale Lee Kibler###imported-end##

“ Cricket, Gail and Bunny, Our hearts go out to you with the loss of your mother. She dedicated her life to helping others and her family. There could be no better example or legacy to leave this world than the sacrifices she made for others. May you be consoled by knowing that her work here is complete and she is resting peacefully at last.###imported-begin###Gwenn Lee Dyson###imported-end##
