“ I have many great memories with the Stevenson and Luse families. I tell many people about Verns 70th birthday when he beat me and his grandson in a foot race and we were in our early 20's. The one arm push ups were impressive too. vern had a great sense of humor and loved a good laugh. He was always thoughtful asking about my mothers and my health. He was a great man and I am thankful God has let us join paths. I know he is running track where he is now and his heart is pumping as hard as ever.##imported-begin##jim yasko##imported-end##
