“ Oh dear friend Vicki, I know that we only knew each other virtually the past year... but our loving connection was like we've been close friends for years. We must've laughed together on every phone call or text to one another. My loving heart is shattered knowing that you're now up in the heavenly skies 💔😭🕯️ You will always be within a piece of my heart 😔 My loving thoughts are with you forever ❤️

Heavenly Hugs,
Gina

“ I will miss Vicki terribly! After spending 1 day a week together for almost 3 years, she was my friend, client, confidant, sounding board. She would share wonderful advice, show the utmost caring and concern for us all. Amazingly generous, intelligent, always knew what she wanted and fun to spend time with!
I hope she is united with Zachary and her parents and resting well. All my love to Michael & Terri. As you both know, I'm here for anything you need. RIP my friend. 🕯️

“ *My thoughts and prayers are with Michael and Terri. Vicki was a truly thoughtful and sweet woman. Through the few interactions we had, she was funny and outgoing and spoke encouraging words (as I was just starting out on a new job and was still a bit nervous). May she be at peace, eternally at rest in the hands of the Lord, and reunited with her beloved son Zachary.*
