“ I am sending my sympathy to Victor's family as I am sorry to hear of his death. I see him whole again in no pain and with Phyllis. We have had some special times together as friends. I invited him and Muday(his aunt) to a Hawaii dance in Washington, NC years ago and we had the most fun. Got some pictures of this event. When he came for class reunions we had cook outs or would see him other times. We would always call, visit, or he would meet us when my sister and I would go to MB. Victor will be missed. I will continue my prayers for the family. Sending my Love to his children .
