“ Dave:

I'm so sorry to hear of your loss. I hope that retiring and knowing that you got to spend additional time with Vicki helps soften the blow. There are no other words I could possibly offer to ease your pain. Rest knowing that Vicki, you, your family and loved ones are in my thoughts and prayers.

“ Aunt Vicki,

It was so wonderful to have you as a part of our family. You were beautiful, warm and loving. I remember so many special times, like the time you joined me on a cruise while I was working for Premier Cruise Lines. It was nice having dinner with you and Uncle Dave on the islands. My favorite memories were spending Christmas Eve together each year growing up. You always had your house decorated so lovely.

You have left a remarkable legacy here on earth. Know that you will never be forgotten and always loved by all of us in the family. I was so privileged to have you as my Godmother (that meant so very much to me), you were such an important part of our family. If only we could have you here longer, your time was too short.

I regret not being able to spend more time with you the last few years due to distance. Your death is a huge loss to me, but I will hold on to all the memories.

Love,

Your Neice - Beth Ann Galic (Milligan)

“ My mom & dad had some really good times with 50 years of marriage. They were a perfect match. I wanted to highlight one memory of my mom pouring a gallon of milk over his head when she was mad at him... a classic move - loved it.
