“ *My uncle Vincent, ('Sonny' as I grew up calling him) was always very special to me throughout my life, from childhood to adulthood. Christmas gifts were always super enough to get a 'Wow'. Teenage years taught skeet shooting. Beyond the funnies jokes and stories I've ever heard and still remember, he gave me words of wisdom and advice that has remained with me to this day. Many will miss him and I will definitely feel the lost deeply. Rest in peace Uncle. You make the world happier when you were around..*

“ Vinny, just returned from a long trip and got this sad news. I had so many fun times with you golfing that I always enjoyed being partners with you. You taught me quite a bit when you took me under your wing. You reminded so much of my dad. I will really miss you, until we meet again, RIP
