Tribute Wall

“ Joan, Rich, Caren & Family, We were so sorry to hear of your loss. Vince was an honorable man and well respected. We know you have suffered an irreparable loss, and there is little we can say to help you in your time of sorrow, and find comfort in knowing that others care and share in your grief. It will be the little things that you will remember, the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memories of these little things that help to push away the pain and bring the smiles back again.##imported-begin##Bill & Donna Welsh##imported-end##
