“ Bill, Virginia, I am saddened to learn of the passing of Ms. Bartel. I will always remember her as a vibrant and loving person. I remember how she would drive up from the beach to visit you and how she played golf. Although her death was not unexpected, none of us are prepared for the loss of our mother. I will not be able to attend the funeral but please know that you are in my prayers. May God bless you and be of comfort. Respectfully, Leon and Colleen##imported-begin##Leon Salter##imported-end##
