“ To The Family of Virginia Bentley Thrulow I would like to express my deepest sympathy to each of you. Although we are not acquainted with one another, we are acquainted with the pain when our loved ones fall asleep in death. Jesus taught us to pray for God's Kingdom to come here upon the earth as it is in the heavens. The fact that the the heavens is peaceful, no sickness, death, etc. is surely a place where we would like to be. So when we pray for these conditions to come on the earth, we are asking God to restore the earth back to its original condition when he created the first Man and Woman. That Kingdom will be a reality here on the earth. The Scriptures promises that the day is soon to come in which death will be no more and that Almighty God Jehovah will wipe away the tears of sorrow from our eyes forever. He promises too that your loved ones, my loved ones and many others will hear his voice and come out of the memorial tombs graves to live in heaven-like conditions right here on the earth.##imported-begin##Annette Pegues##imported-end##
