“ *Mr. Montague and family, I was so very sad to see this. Mrs. Montague was such a sweet lady. I have always remembered how kind and patient she was trying to put together shows and pageants with so many teenagers to deal with. It is because of her that I am now a teacher. I often remind myself on tough days that if the Montagues could put up with us during "Charlotte's Web", I can be patient with my students for one more lesson. Her influence has passed through me to my daughter who is now the stage manager for Canajoharie High School. My family thanks all of your family for all the inspiration you have showered on us. Even though my children have never met you, you have been a great influence in thier lives. You have touched more lives than you will ever know.*

“ Dear David, Barb, and Carol, When you moved south, it was a loss for Mayfield, now, it's a much larger loss. We remember, with gratitude, Jinny's involvement at Mayfield Central and especially, in our case, with her involvement with Miss Fulton Co. and our daughter, Terri. A person with joy in their life spills over to those whose lives they touch and their encouragement supports those who need assurance. This was Jinny. We extend to you our deepest sympathy and prayers on your loss. We are thankful that 3 years ago our paths crossed at Broadway on the Beach. “ David, Carol, and Barb, I sit here with such sadness and I am still in shock as I find it so hard to believe a person as wonderful and as good a friend as Jinny was to everyone, is gone. We used to talk on the phone and solve the problems of the world but it was especially fun when she'd deliver my Avon order. The money was always a joke between us. She'd come in with change and I'd have the exact amount and when she didn't bring in her wallet, I'd need change. It always caused us to laugh and I missed that when she gave up selling it. But it was so much more than that. It was a good friendship with a sincere and and wonderful person who had a great smile and a very happy laugh which I will never forget. Please know our thoughts are with all of you. Take care.##imported-begin##Joyce & Neil Ammerall##imported-end##

So saddened to read in the on-line version of the L-H of her passing. Your loss is shared by so many who knew her. Last summer my Colorado son, Frank,49, lost his 3 year battle with kidney cancer.
