“ I knew Heather when we were teenagers working at Papa Joes Deal, MD. We became friends and enjoyed hanging out at her house. Ginny was always so nice and gracious to all of us teens. She always welcomed us into her home and enjoyed us being there. She will be greatly missed and remembered wonderfully.##imported-begin##Lynn Hettenhouser Poknis##imported-end##

“ Ginny has been one of my best friends since high school. Over the years we have always managed to stay in touch and I was honored to share in that excitement for life that she always had each and every day. Life was not always kind to Ginny but you would never know it from her. Such optimism. What a lady.##imported-begin##Bob Simica##imported-end##
