“ *I didn't realize Ms. Gantt had passed. She was such a sweet lady and excellent tennis partner, always encouraging. I honestly never knew her age, but you could never tell it on the tennis court and she wanted me to call her Ginny, so I better do that. She gave it her all on the courts and also at church. I'm proud to have known her and will truly miss her smile.*

“ *My heart is broken when I learned from a paper that was yesterday's that Sweet Ginnie had passed I too was one of her tennis buds and have so many fabulous memories of Ginnie and me playing tennis at Collins Park in Conway and being groupies of the winning Conway high tennis team. We both loved the exercise and the game and that team that was electrifying to watch.*

When they lost their home to hurricane Florence I went to see them with a banana bread gift at the Ramseur home and they were not home. The Ramseur daughter took the gift and said she would tell them but I never heard from them and they left the area to be closer to their daughter.

I regret that I never got to say Goodbye to her and Bobby cause she was a fabulous person and friend and I will always cherish my life and memories with her

I was so sorry to hear of the passing of Ginnie Gantt. She and Bobby were two of the first people we met after moving to Conway in the 1990's. Bobby's uncle and aunt were friends of my mother. We enjoyed stopping by their house occasionally over the years and missed seeing them after we moved away. Our love, our thoughts and prayers go out to Bobby and all their family.

“ *BG and family.*

I am so sorry to hear about Ginny. Such a sweet lady. Always loved stopping by when she and her husband were working in the yard. Their yard was always immaculate. She was a person who would pick you up if you were down. She will be missed by so many and she was loved by so many. Thoughts and prayers for the family.

“ *I am so saddened to hear that Ms. Gantt has passed. I loved seeing these two cuties out walking. So loving and caring of each other and so full of life. Vicki and Mr.Gantt God bless. We both lost our houses in the flood from Hurricane Florence. We both went our separate directions. I have never forgotten them through this horrible loss.*

“ *Bob and Jenny were our wonderful neighbors for 35 years on Long Avenue. They always shared fresh vegetables and fruits in the summer. Robert and I enjoyed the fresh peaches from McBee every summer.*

Jenny had a beautiful smile and a great personality.
